# CAPABILITY STATEMENT

## Company Overview

Sped Solutions Uncomplicated (SSU) is a specialized educational consulting firm that partners with school districts, charter networks, and private schools to strengthen special education programs for students with unique abilities. Our supports and frameworks allow districts to monitor compliance requirements with IDEA and Section 504, while driving meaningful student outcomes through practical and sustainable implementation of best practices. By bridging the gap between compliance and classroom practice, we deliver solutions that are legally and educationally sound.

### CORE COMPETENCIES

- **Programmatic Support**-Conducts comprehensive reviews of district and school special education protocols, to strengthen frameworks, accountability, and long-term sustainability.
- **Dispute Resolution & Risk Mitigation Support**-develops proactive procedures to prevent, manage, and resolve complaints and disputes, while building trust with families.
- **Professional Development**- provides targeted trainings that build staff capacity in compliance and instructional practice.
- **Executive Coaching and Leadership Development**- ongoing coaching to strengthen decision making and program oversight.

### DIFFERENTIATORS

- **Practitioner-Led Expertise**-Seasoned practitioner with over 21 years of experience translating IDEA and Section 504 requirements into defensible district procedures.
- **High Resolution Rates in Disputes**-Proven track record of successfully resolving complaints through proactive strategies.
- **Clarity Focused Service Model**-Customized training and coaching that simplifies complex compliance requirements into actionable steps that staff can implement with confidence and consistency.
- **Strategic Planning and Systems Improvement**-Develops internal systems that deliver meaningful educational outcomes for students with disabilities.
